

At-Large Representative: Council Nomination 2025

Anand Lila, EIT

Statement of intent: As a registered Engineer-in-Training (EIT) with a passion for both engineering and community engagement, I am enthusiastic about applying for the Member at Large position with APEGNB. My academic background in civil engineering, along with practical experience, has given me a well-rounded perspective on the challenges and opportunities within our profession.

During my time at NBCC, I served as a class representative and ran as a candidate for student body president, which honed my leadership and advocacy skills. In addition, I have been actively volunteering with organizations such as Moncton Cares, the Indo-Canada Association (ICA), and the Gujarati Samaj New Brunswick (GSNB), where I've gained experience in event coordination and community service.

I am driven to contribute to the engineering profession by promoting innovation, ethical practices, and professional development. As a Member at Large, I would be committed to representing the diverse needs of our membership, ensuring that APEGNB continues to support and advance the careers of its members while fostering a strong sense of community.

Biography: *Anand Lila is a registered Engineer-in-Training (EIT) with a Bachelor's Degree in Civil Engineering and a Diploma in Civil Engineering Technology. Since November 2024, he has been volunteering as an Auditor-in-Training with Technology Accreditation Canada (TAC), contributing to the evaluation and improvement of engineering education standards across Canada.*

Anand has consistently demonstrated a commitment to leadership and community engagement. At NBCC, he served as a class representative and ran as a candidate for student body president, experiences that helped him develop strong advocacy and organizational skills. Beyond his academic achievements, Anand has been an active volunteer for several community organizations. He has been contributing to the Indo-Canada Association (ICA) since 2019, Moncton Cares since 2021, and the Gujarati Samaj of New Brunswick (GSNB) since 2022. Through these roles, he has gained extensive experience in event coordination, community service, and fostering cultural connections within diverse groups.

Anand is passionate about fostering innovation, upholding ethical standards, and promoting professional development within the engineering profession. As a candidate for the Member at Large position with APEGNB, he is committed to representing the diverse perspectives and needs of the organization's members. He aims to advance the careers of engineering professionals while nurturing a sense of community and collaboration across the province.
